General Testing Information

The Alabama Home Builders Licensure Board has contracted with Prov, Inc. to develop, and administer their licensing examination program for state licensed home builders. This bulletin has been developed to help explain the rules and processes you will need to undertake to complete the testing requirement for your State of Alabama Home Builders License.

Alabama law requires that each individual who is engaged in residential construction in the State of Alabama to be licensed. To become licensed, a company representative must demonstrate competency by passing the required exams for which licensure is being sought.

Prov is not authorized to make the determination of which examination(s) candidates must take. If a candidate is unsure which exam is needed for the license being sought, resolve this question before scheduling. If candidates have questions regarding which exam(s) to take, they must call the Alabama Home Builders Licensure Board at (334) 242-2230.

The first test covers the technical trade elements of home building, whereas the second test covers the business and legal requirements as a licensed home builder. Both exams are open book and are timed. Detailed information about exam content, duration and reference materials can be found in the Exam Descriptions section of this document.

If both exams are taken on the same day the cost is $130.00. If the exams are taken on separate days each exam cost is $80.00.

Exam Administration Methods

Computer-Based Testing
Prov has taken every effort to make its computer testing system as easy to use as possible. No specific computer experience or typing skills are needed to take the test. Candidates who take a computer-based test will be given verbal and written instructions and will complete an interactive tutorial prior to testing.

The written instructions for computerized exams are included in this bulletin. Please refer to the Candidate Instruction Handout for these instructions and a visual of the screen layout.

For an opportunity to preview Prov’s computer-based testing system before arriving at the test center, candidates can watch a demonstration video by visiting https://www.provexam.com/Movies/CBT2.swf. This short movie provides a basic demonstration of how to take a test on Prov’s computer system.

Scheduling Process

Once candidates determine which exams they need to  
take, where they wish to test, and when they prefer to  
test, it is time to schedule their test session. Prov  
encourages candidates to schedule in advance for their  
examinations in order to ensure that a testing seat will  
be available. There are a limited number of seats at each  
testing facility and seating availability is based on a first- 
come, first-served basis.

Scheduling for an examination is a three step process.  
Candidates must first register, which means they select  
the tests they wish to take. Next, the candidates must  
find available seats in their area. During this second step  
candidates will select the date and location where they  
wish to test. The third and final step is to make payment  
for those examinations. The scheduling process is not  
complete until payment has been made to Prov. Once  
the scheduling process is complete, candidates will be  
sent an appointment letter which includes their testing  
session details.
Advance Scheduling

Prov offers several convenient methods to allow candidates to schedule their examination(s) in advance. Candidates may use any of these methods to schedule their testing appointments. Note that there is no difference in fees for use of any of these methods.

The advance scheduling methods available are:

- Online
- Over the phone
- By Mail
- By Fax

The deadline for scheduling your test will vary based on the testing center you select. The advance scheduling deadline ranges between one to six business days depending on the testing location.

Advance Scheduling Methods

Online Scheduling

If you have any difficulties with online scheduling, give us a call at (866) 720-7768.

To schedule online, a candidate must go to Prov’s home page at www.provexam.com. The candidate must then select Test Takers from the menu. Under Candidates, click “Log-in here” to get started.

Once candidates have accessed Arkiv (Prov’s information management system), they must select Alabama Home Builders Licensure Board as their Program Name and click NEXT STEP.

Login for First Time (NEW USER)

First time users should select the NEW TEST TAKER tab and confirm that they have not previously taken an exam by clicking the NEW TEST TAKER button.

They will then be directed to enter Social Security Number, Name, Password, Address, Email Address, Company Name, Telephone Number, and Fax Number. Entering an email address is critical in order to be able to receive a scheduling confirmation notice by email or to retrieve a forgotten password in the future. Press NEXT STEP.

Login for Returning Candidates

Returning users should select the EXISTING TEST TAKER tab and enter their Candidate ID (candidate’s Social Security number). Next, enter the password that was created the last time the candidate entered. Then press NEXT STEP.

Password

To access the candidate information inside of Arkiv, the candidate will need to set up a password. If candidates have forgotten their Arkiv password, they may press the FORGOT PASSWORD button and their passwords will be emailed to the email address the candidates have provided when their testing profile was initially created. If candidates still encounter difficulties, they must contact Prov staff during business hours to receive help.

Schedule a Testing Session

Once the candidate has logged into Arkiv, they should confirm that they have read the candidate bulletin for their testing program. If they have not yet read the candidate bulletin, they may access it by selecting the Program Documents tab. Candidates must then place a Check in the confirmation box, and then select the name of the exam they wish to take, and press the NEXT STEP button. If a candidate wants to register for more than one exam select the ADD button and then choose a second exam. When all exams which need to be scheduled are added to the list, press NEXT STEP.

On the next page you will be asked to complete steps 1 through 4.

Step 1: Select Examination - Use the mouse to select an unscheduled exam from the list to the left. (Note: If only one exam is shown, it will automatically be the selected exam.)

Step 2: Enter Search Criteria – Enter the date when the candidate would like to test. Enter a ZIP Code where the candidate would like to search from. Select the maximum distance the candidate is willing to travel to a testing center. Select or confirm the testing method. Then press FIND AVAILABLE SEATS.

Step 3: Select Testing Dates, Times and Location – Using the mouse, click on one of the rows listed containing the
testing date, time and location wanted and the press SELECT SEAT. If the candidate only has one exam to schedule they will automatically be taken to the payment screen. If the candidate has more exams to schedule, they must return to step 1, select the next test from the left column, and repeat steps 1 through 3.

Step 4: Click the PAY FOR EXAM button

Paying Online

To pay for a specific registration event, select the invoice number on the left. If the billing address or name on the card is different from the information previously provided, press the Use Different Billing Address checkbox to enter the new information. Finally, enter the credit card or debit card payment information, and press Submit Payment.

Candidates can choose not to pay for the exam immediately by clicking the EXIT WITHOUT PAYMENT button. The seat will be held until midnight. At that time the seat will be released for anyone to schedule. When returning to the website to make a payment the candidate should select the MAKE PAYMENT tab.

Once payment is received the testing session is reserved. Candidates should print or email their confirmation letters for their own reference.

If a mistake is made, a candidate can unschedule an exam by selecting the View My Schedule link from the candidate console and follow the steps provided.

Phone Scheduling

To schedule for an examination by phone, candidates should contact Prov toll free at 866-720-7768. Prov scheduling staff is available 8:00 a.m. through 6:00 p.m. ET, Monday through Friday.

Candidates should be prepared to provide the Prov scheduling staff with their name, Candidate ID (their Social Security number), and their ZIP code. Once Prov confirms the candidate’s identity, Prov staff will request that the candidate sets up a password as well as an email address so that Prov can contact him/her with any necessary changes. Prov staff will search the database for the next available testing session at the candidate’s preferred testing location and will provide candidates with any alternate locations that may be in close proximity to their address. Once candidates are scheduled, Prov staff will email them information regarding their testing schedule.

Mail or Fax Scheduling

In order to schedule by fax or mail, candidates should complete the registration form attached to this document and either fax it to our toll-free fax number 877-228-3926 or mail it to Prov at the following address:

Prov
200 Association Drive, Suite 190
Charleston, WV 25311

Cancel/Rescheduling Policy

If candidates need to change or cancel their testing appointment, they must contact Prov at least three business days prior to their scheduled date. Changes will be made at no cost if candidates notify Prov by the deadline.

If candidates fail to appear for their test or fail to cancel or reschedule their testing session by the close of business three days prior to their scheduled test date, they will forfeit their exam fees.

Retesting Policy

Failed examinations can be retaken as often as is necessary. There is no waiting period and candidates can schedule a new testing session for the first available testing date. Candidates cannot retake an exam once they have passed that exam unless required by the State of Alabama.

Results Reporting

Upon completion of an examination, a candidate’s test will be scored and he/she will be provided with a score result while at the testing center. There is no charge for the on-site scoring.

Computer-delivered tests will be scored in one minute and results can be obtained any time after the exam is scored.

Candidates participating in this testing program can access their scores at any time (24/7) online by going to our website at www.provexam.com, entering their Candidate ID and the password to access their candidate account. Upon reaching the candidate home page inside of Arkiv, candidates can select the MY ACCOUNT Tab and
then the EXAM HISTORY button and see the results of all the exams they have taken with Prov.

All exams will be scored and graded against a cut-score of 65% for the Alabama HB Business & Law and 63% for the Alabama Home Builder. Because the examination process is a requirement for licensure with the State of Alabama, candidates automatically consent to permit Prov to share their test results with the State.

**Reviews**

Reviews are intended to help candidates audit their testing results by allowing them to see which questions were missed.

Candidates may request a review of their exam after failing an exam category two (2) times. To be eligible for a review, candidates must score within 10% of the required passing score. The review for all tests is 1-1/2 hours in length. During the review candidates will be provided a printout of the questions they missed and the answers chosen in response to those questions. The review will be conducted under the same testing conditions as the exam using the same test security rules.

The cost of the review is **$80.00** (includes tax) for each test reviewed. Candidates will request or schedule a review using the same methods described earlier for scheduling.

**Exam Challenge Process**

If during an exam or review, the candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment to Prov detailing why they feel the question is in error.

Candidates testing on computer may make their comments in the testing system. Candidates who are reviewing an exam will automatically be provided with an Exam Comment form.

Prov staff will review each comment within two weeks of submittal.

Should any comment result in a change to a test question and/or candidate score, Prov will report the change to the Alabama Home Builders Licensure Board. The Board will notify the candidate of the score change and issue a new result letter. Detailed answers to questions or comments are not provided for test security purposes.

**Hand Score Request**

Prov ensures the accuracy of our exam results. Our computer system, Arkiv, is designed to identify and report any potential error in data collected from an exam session. If you would like to have your score reassessed for accuracy, you can request a Hand Score by calling Prov at 1-866-720-7768 and asking for a Hand Score Request Form.

A Hand Score Request form requires a signature and must be mailed to Prov. Forms must be received by Prov no later than ninety (90) days after your examination administration date and must be accompanied by a copy of your original score letter.

Once a Hand Score is received, Prov Staff will process the request within seven (7) to ten (10) business days. During the Hand Score process a staff member will ensure that your answers were properly recorded and scored by comparing the captured answers to the exam key. Upon completion of the Hand Score we will provide a letter by mail to report the outcome of the reassessment.

The cost of the hand score is **$25.00** (includes tax).

**Test Day Rules and Procedures**

**Check-in Deadline**

The doors to each testing center will open at least 30 minutes before all scheduled testing appointments in order to check candidates into the testing center. Candidates should plan to arrive early to make sure they are seated by the time the testing begins. If candidates are late in arriving, AND the testing session has already begun, CANDIDATES WILL BE TURNED AWAY and will forfeit their exam fees and will be required to reschedule for a future testing date.

**Proof of Identity**

Upon arriving at the testing center, candidates will be required to show government-issued, photo-bearing identification. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver’s license, passport, or military ID. Candidates will also be required to sign a test center log, and will be photographed by the test center staff. If candidates cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, they will be dismissed from
the testing center and forfeit all testing fees for that testing session.

There may be times for religious reasons, a candidate does not have a photo ID. In this situation, if they have a State driver’s license without a photo, a State ID card without a photo that is issued by the DMV, or a birth certificate, we will accept these as valid identification.

Prohibited Items
No cameras, recorders, cell phones or other communication devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Approved Items
Candidates may bring the following approved items into the testing center:

- **Pencils.** (Paper/pencil testing only)
- **Calculator.** Only simple 4-function calculators are permitted. PDAs, cell phones or other special calculators (i.e. ElectriCalc, etc.) are NOT permitted.
- **Approved References.** (See information below). Candidates should prepare their reference materials using ONLY the following methods. Reference materials which do not meet the following guidelines will not be allowed in the testing room. These guidelines are in place to ensure that every candidate is tested fairly and that no candidate has access to unapproved resources.

  - Book title must be exact. *Exceptions: Older/new editions are always permitted. Substitutes are allowed if listed in the Exam Details.*
  - Photocopied versions of a reference book are ONLY permitted when stated in the Exam Details.
  - Permanent tabs such as gummed tabs, self-adhesive tabs with printable inserts, or insertable tab dividers (for three ring binders only) are permitted.
  - Moveable items such as repositionable tabs or Post-it notes are NOT permitted in a reference book.
  - Books can have highlighting and underlining, however you cannot mark in your books during the test.
  - Handwritten notes are NOT allowed in any portion of a reference book.
  - Other documents (such as formula sheets or the Tom Henry and Kelly Indexes) or stickers (such as Ohm’ Law) CANNOT be added, glued or taped to a reference book.

Prov asks that candidates leave all unauthorized materials in their vehicle. If candidates are caught using unauthorized materials during testing, these materials will be confiscated, their testing will be terminated with fees forfeited, and the Board will be notified of their actions. During the testing process candidates MUST NOT:

  - Share reference materials during testing.
  - Highlight, underline, mark or write any kind of information in their reference materials during testing.

Visitor Policy
No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy
Any individual caught giving or receiving assistance during or after the examination, or caught using unauthorized materials during the examination will be reported directly to the Board. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

Prov’s Non-Discrimination Statement
Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 866-720-7768 or write to: Prov, Inc., 5200 NW 43rd Street, Suite 102-167, Gainesville, FL 32606.
Special Accommodations

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for a special accommodation during testing, they should contact Prov at (866) 720-7768. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need in order to complete their examination.

Preparing for Your Exams

Studying for your Exam

The contractor licensing examinations that candidates will take are designed to test what qualified contractors should know as they begin operations in the construction field. The test questions used on the examinations have been prepared by contractors and cover the wide range of topics candidates would normally encounter as a contractor in their particular field. If candidates have worked in construction for some period of time in a variety of different settings, they likely have experienced much of what will be found on their examination. On the other hand, if the candidates’ experience is limited (not only in years but in the variety of work performed) then it is likely they may want to spend time increasing their knowledge by studying areas in which they are less familiar. For all candidates, the reality is that people forget those things they don’t use, and over time a candidate’s knowledge in some areas may have decreased.

Prov recommends that candidates prepare for their tests by familiarizing themselves with the exam references with emphasis on the subject areas listed in each exam description. Candidates who are familiar with their reference materials will spend less time searching for answers during the exam. When preparing for the exam, remember that hand-written notes are not allowed in a reference book used for testing. Candidates are encouraged to prepare their test materials by highlighting text or placing permanent tabs on important pages.

It is NOT mandatory that candidates purchase any study materials in preparation for their examinations; however, all examinations permit the use of authorized study materials and candidates may be at a disadvantage if they do not bring those materials with them to their testing session. At a minimum Prov recommends that candidates have their own code books related to their exams which may be useful to candidates after their testing is complete.

Purchasing Reference Materials and Study Guides

The Home Builder examinations are delivered in an Open Book format, meaning that you are permitted to bring the various approved references into the testing center when you take your examinations. The reference books have been selected by both Prov and the Home Builder Board based on the ability of the publishers to keep costs low. You will notice that there are just a few books on the booklist. While the cost of the individual books may seem expensive, it is important to understand that these book save hundreds over having to purchase each book separately.

Most reference books can also be purchased by phone or online through the following companies. Shipping charges will apply. Brick and mortar locations are indicated, but candidates should call to verify that orders are ready for pickup.

All of the books for your examination are available from Prov using the following information.
