

HOME BUILDERS LICENSURE BOARD

ALABAMA CODE CHAPTER 14A:

HOME BUILDING AND HOME IMPROVEMENT INDUSTRIES.

§ 34-14A-1. Legislative intent.

In the interest of the public health, safety, welfare, and consumer protection and to regulate the home building and private residence construction industry, the purpose of this chapter, and the intent of the legislature in passing it, is to provide for the licensure of those persons who engage in home building, private residence construction, and home improvement industries, including remodeling, and to provide home building standards and to support education within the construction trades in the State of Alabama. The legislature recognizes that the home building and home improvement construction industries are significant industries. Home builders may pose significant harm to the public when unqualified, incompetent, or dishonest home builders and remodelers provide inadequate, unsafe, or inferior building services. The legislature finds it necessary to regulate the residential home building and home improvement industries. (Acts 1992, No. 92-608, p. 1282, § 1; Acts 2019, No. 19-482, § 1)

(5) The board may charge varying fees for licensure.

(b) (1) Except as provided in this chapter, all licenses shall be issued or renewed upon the payment to the board of the annual license fee. The annual license fee shall be set by the board after it considers its

HOME BUILDERS LICENSURE BOARD

cost of operation. The annual fee may be increased or decreased by the board but in no event shall the board set the annual fee at an amount which would not provide sufficient revenues to pay all the salaries, costs, and expenses incurred by the board in enforcing this chapter and promoting public health, safety, welfare, and consumer protection.

(2) The board may also charge application processing fees, inactive license fees, late fees, and fees for education requirements. The inactive fees may be waived for building officials. The board is authorized to maintain sufficient funds to carry out the purposes of the Homeowners' Recovery Fund and the Home Builders Property Acquisition Fund, as set forth in Sections 34-14A-15 and 34-14A-18, including, but not limited to, the transfer of funds between the Homeowners' Recovery Fund and the Home Builders Property Acquisition Fund. The board is authorized, at all times, to retain a sum sufficient to meet any emergency that may arise which may affect its efficient operation.

(d) No funds shall be withdrawn or expended except as budgeted and allocated according to Sections 41-4-80 to 41-4-96, inclusive, and 41-19-1 to 41-19-12, inclusive, and only in amounts as stipulated in the general appropriations bill or other appropriations bills. (Acts 1992, No. 92-608, p. 1282, § 5; Acts 1997, No. 97-250, § 3; Acts 2002, No. 02-72; Acts 2006, No. 06-105; § 5; Acts 2006, No. 06-105, § 5.)

(h) (1) Any licensee who desires to receive an inactive license shall make and file with the board a written application for an inactive license on a form prescribed by the board prior to the expiration of his or her current license. The application shall be accompanied by the payment of the annual inactive license fee required by the board. No act for which a license is required may be performed under an inactive license. Should the board establish or adopt, or both, standards of practice for residential home builders within the

HOME BUILDERS LICENSURE BOARD

state, as provided in Section 34-14A-12, the board may suspend the license of any licensee who, in the opinion of the board, has committed a violation of the standards of practice and may impose any other disciplinary sanctions authorized pursuant to this chapter.

(b) An original homeowner may file a consumer complaint alleging a violation of this section against any licensee hereunder. Consumer complaints shall be made in writing and sworn to by the person making the consumer complaint and shall be submitted to the executive director of the board within six years of the date of substantial completion of construction or within six years of the date the original homeowner took possession of the residence.

(c) An investigation may be initiated upon receipt of a consumer complaint or may be initiated by the board. The board may resolve violations by agreement between the board and the licensee with or without the filing of a formal administrative summons and complaint.

(d) With the consent of the licensee, the board may conduct an informal hearing without meeting the requirements of the Administrative Procedure Act if no action is taken other than a reprimand, public or private.

(f) A copy of the charges, with notice of the time and place of the hearing, shall be served on the licensee charged at least 15 days before the hearing date.

(g) The licensee charged may appear personally and may be represented by counsel. He or she may cross-examine witnesses against him or her and may produce evidence and witnesses in his or her defense.

(i) The licensee may, within 30 days from the date of receipt or service of the order, file with the board written notice of his or her intention to appeal from the order of the board. If the court so finds, it shall affirm the action of the board.

(j) The board may issue a license to a licensee whose license has been revoked, and may reinstate a suspended license prior to the end of the suspension period, if four or more members of the board vote in favor of the issuance or reinstatement.

(k) In addition to any other disciplinary action authorized pursuant to this section, the board may require a licensee to successfully complete education requirements to be determined by the board for a violation of this chapter or a board rule. (Acts 1992, No. 92-608, p. 1282, § 8; Acts 1997, No. 97-250, § 3; Acts 2002, No. 02-72; Acts 2006, No. 06-105, § 8.)

The record in such proceedings, including witness testimony, exhibits, and pleadings, shall be confidential, shall not be public record, and shall not be available for court subpoena or for discovery in civil proceedings.

(c) Nothing contained herein shall apply to records made in the regular course of business of an individual; documents or records otherwise available from original sources are not to be construed as immune from discovery or use in any civil proceedings merely because they were presented or considered during the proceedings of the board. (Acts 2006, No. 06-105, § 8.1.)

§ 34-14A-9. Roster of licensees.

A complete roster of licensees shall be prepared and published annually by the board. (Acts 1992, No. 92-608, p. 1282, § 9.)

(Acts 1992, No. 92-608, p. 1282, § 11; Acts 1997, No. 97-250, § 3.)

§ 34-14A-12. Building laws and codes.

(a) The board is authorized to establish or adopt residential building codes and standards of practice for residential home builders within the state. A residential building code or standard of practice adopted or established by the board does not supersede or otherwise exempt residential home builders from a local building law or code adopted by the governing body of a county or municipality or from a local or general law.

(b) The county commissions of the several counties are authorized and empowered to adopt building laws and codes by ordinance which shall apply in the unincorporated areas of the county. HOME BUILDERS LICENSURE BOARD

which that municipality is exercising its building laws or codes, without the express consent of the governing body of that municipality. The building laws and codes of the county commission may apply within the corporate limits of any municipality with the express consent of the governing body of the municipality. The county commission may employ building inspectors to see that its laws or codes are not violated and that the plans and specifications for buildings are not in conflict with the ordinances of the county and may exact fees to be paid by the owners of the property inspected.

(c) Utilizing the same authority and procedures as municipalities pursuant to Sections 11-53A-20 to 11-53A-26, inclusive, the county commission may condemn buildings, parts of buildings, or structures dangerous to the public and prohibit the use thereof and abate the same as a nuisance.

§ 34-14A-13. Issuance of permits.

It is the duty of the building official, or other authority charged with the duty, of issuing building or similar permits, of any incorporated municipality or subdivision of the municipality or county, to refuse to issue a permit for any undertaking which would require a license hereunder unless the applicant has furnished evidence that he or she is either licensed as required by this chapter or is exempt from the requirements of this chapter. The building official, or other authority charged with the duty of issuing building or similar permits, shall report to the board the name and address of any person who, in his or her opinion, has violated this chapter. Nothing contained herein shall require a builder to pay license fees for subcontractors who will be or were involved in the construction for which the permit is being obtained as a condition of issuance of a building permit or the issuance of a certificate of occupancy. The builder shall submit to the issuing municipality, if requested, a list of the subcontractors with correct physical addresses and phone numbers involved in the construction project within 15 days of the issuance of the building permit. Should the builder add any subcontractor to the project, the builder will submit the subcontractor's name, address and phone number to the municipality within three working days of hiring. An updated list of subcontractors shall be furnished by the builder before the issuance of a certificate of occupancy by the municipality. (Acts 1992, No. 92-608, p. 1282, § 13; Acts 1997, No. 97-250, § 3; Act 2000, No. 2000-99, § 1.)

(b) Upon notice from the board, any person who undertakes or attempts to undertake the business of residential home building without holding a current and valid residential home builders license, as required by the provisions of this chapter, shall immediately cease. Such notice shall be in writing and shall be given to the owner of the property, or to his or her agent, or to the residential home builder, or to the person doing the work, and shall state the conditions under which work may be resumed.

(c) The board, in its discretion, may invoke a complaint procedure against any person who violates

HOME BUILDERS LICENSURE BOARD

the provisions of this chapter by undertaking or attempting to undertake the business of home building without holding a current and valid residential home builders license issued by the board. Whenever it appears to the board that any residential home builder has violated or is about to violate this chapter, the board may resolve the violation by agreement with the residential home builder, may initiate a complaint against the residential home builder, and may levy and collect administrative fines for violations of this chapter or the rules of the board in an amount not to exceed five thousand dollars (\$5,000) for each violation.

(d) A residential home builder, who does not have the license required, shall not bring or maintain any action to enforce the provisions of any contract for residential home building which he or she entered into in violation of this chapter.

(e) Whenever it appears to the board that any residential home builder has violated or is about to violate this chapter, the board may in its own name petition the circuit court of the county where the violation occurred or is about to occur to issue a temporary restraining order or other appropriate injunctive relief enjoining the violation. (Acts 1992, No. 92-608, p. 1282, § 14; Acts 1997, No. 97-250, § 3; Acts 2002, No. 02-72; Acts 2006, No. 06-105, § 14.)

(a) The board may establish a Homeowners' Recovery Fund for the purpose of consumer protection, consumer education, and consumer awareness. An aggrieved homeowner may recover actual economic damages, not including interest and court costs, sustained within the state as the direct result of conduct of a licensee in violation of this chapter or the rules of the board from the Homeowners' Recovery Fund. Any payments from the Homeowners' Recovery Fund shall be subject to the following limitations and conditions:

(1) The Homeowners' Recovery Fund shall make payments only to homeowners who file a complaint with the board pursuant to the requirements of subsection (b) of Section 34-14A-8.

(2) The Homeowners' Recovery Fund shall not make payments based on consent judgments.

(3) Failure of the homeowner to follow any provisions of this chapter shall preclude payment from the Homeowners' Recovery Fund.

(b) The board, by rule, shall determine the maximum amount of payment from the Homeowners' Recovery Fund for the following:

(1) Payments for claims based on judgments or settlements against any one licensee.

(2) Payments for claims arising out of the same transaction.

(c) Each licensee shall, on order of the board, pay a fee not to exceed sixty dollars (\$60), no more than once a year, per licensee for deposit in the Homeowners' Recovery Fund. A licensee on inactive status shall not be required to contribute to the Homeowners' Recovery Fund. The annual Homeowners' Recovery Fund fee shall be set by the board after considering all expenses incurred by the board in defending, satisfying, or settling any claims paid from the homeowners' recovery fund.

(d) (1) When a complaint is filed in a court of competent jurisdiction that may result in liability for the Homeowners' Recovery Fund, the complainant shall notify the board in writing, by certified mail,

when the action is commenced.

(2) When the notice is received, the board may enter an appearance, file pleadings and appear at court hearings, defend or take action it deems appropriate either on the behalf and in the name of the defendant or in its own name. The board may seek any appropriate method of judicial review. The board may settle or compromise the claim. Any expenses incurred by the board in defending, satisfying, or settling any claim may be paid from the Homeowners' Recovery Fund.

(3) When a complainant obtains a valid judgment, excluding consent judgments, in a court of competent jurisdiction against a licensee, the aggrieved homeowner may, when judgment is final, file a verified claim in the court in which the judgment was entered and, on 30 days' written notice to the board, may apply to the court for an order directing payment out of the Homeowners' Recovery Fund of the amount remaining unpaid on the judgment.

(4) The court shall proceed on such application and the complainant shall be required to show that:

a. He or she is not the spouse, child, or parent of the debtor, or the personal representative of the spouse, child, or parent or a shareholder officer or director of the debtor;

(e) In the event the board pays from the Homeowners' Recovery Fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensee, the board may revoke the license of the licensee, and may no longer recognize the experience and ability qualifications of the individual licensee or the qualifying representative of the licensee for licensing purposes. The board may refuse to issue a new license to the former licensee or to recognize the experience and ability qualifications of the individual former licensee or the former licensee's qualifying representative until the former licensee or the former licensee's qualifying representative has repaid in full, plus interest at the rate of 12 percent per annum, the amount paid from the Homeowners' Recovery Fund. A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this section.

(f) If the balance in the Homeowners' Recovery Fund is insufficient to satisfy a duly authorized claim or portion of a claim, the board shall, when sufficient money has been deposited in the Homeowners' Recovery Fund, satisfy the unpaid claims in the order that the claims were filed.

HOME BUILDERS LICENSURE BOARD

These sums may be invested by the State Treasurer in any investments which are legal under the laws of this state. Any interest or other income from investments of the Homeowners' Recovery Fund shall be deposited into the Homeowners' Recovery Fund.

(h) When, on order of the court, the board has paid from the Homeowners' Recovery Fund any sum, the board shall be subrogated to all the rights of the judgment creditor, and all his or her rights, title, and interest in the judgment, to the extent of the amount paid from the Homeowners' Recovery Fund, shall thereby be assigned to the board. Any amount and interest recovered by the board on the judgment shall be deposited to the Homeowners' Recovery Fund.

(i) The limitations and conditions of payment from the Homeowners' Recovery Fund as established by Act 2002-72 shall not apply in any case where, prior to May 1, 2002, a complainant has obtained a valid judgment in a court of competent jurisdiction against a licensee on the grounds set out in this chapter. HOME BUILDERS LICENSURE BOARD

465-X-3-.03 **Exemptions.** The licensing requirements of the Act shall not apply to:

(1) Any employee of a licensee who engages in the residential home building business solely as the employee of that licensee and personally does not hold himself or herself out for hire or engage in the business of residential home building, including residential roofing;

(2) An authorized employee of the United States, the state of Alabama, or any municipality, county, or other political subdivision if the employee personally does not hold himself or herself out for hire or otherwise engage in the business of residential home building, including residential roofing, except in accordance with his or her employment;

(3) General contractors who, on January 1, 1992, held a valid general contractors license issued under Chapter 8 of this title, and who continue to maintain that license in good standing;

(4) Real estate licensees, licensed engineers, and licensed architects operating within the scope of their respective licenses on behalf of clients;

(5) Owners of property acting as their own residential home builder including residential roofer and providing all material supervision themselves in the building or improvement of one-family or two-family residences on their own property for their own occupancy or use, which residences are not offered for sale to the public. For the purpose of the Act and these rules:

(a) Owners of property shall be deemed to have acted as their own residential home builder if they do not hire or compensate anyone to engage in the business of residential home building, including residential roofing, on their residence; and

(b) The exemption for owners of property applies only to the owner. Residential home builders, including residential roofers, contracting directly with the owner are not exempt from holding any license required pursuant to the Act; and

(c) Proof of the sale or offering for sale of such structure by the owner claiming the owner exemption within one year after completion of same is presumptive evidence that the construction was undertaken for the purpose of sale; and

(d) The exemption for owners of property is a nontransferable privilege. Attempts to transfer this exemption by agency, power of attorney, or other legal means is presumptive evidence that the claim of owner exemption is not valid.

(6) Mobile homes, or any structure that is installed, inspected, or regulated by the Alabama Manufactured Housing Commission, or the repair, improvement, or reimprovement of any such structure, and shall not in any way change or interfere with the duties, responsibilities and operations of the Alabama Manufactured Housing Commission as defined in Code of Ala. 1975 §§ 24-4A-1, 24-6-4;

(7) Agricultural buildings, as defined in Ala. Admin. Code r. 465-X-1-.01(3), except for any residence contained therein.

465-X-3-.04 **Licensing.**

(1) **Form of License.** Licenses shall be issued only to individuals, partnerships, corporations, limited liability companies, and not-for-profit organizations:

(a) An individual applying for a license personally must satisfy all the licensure requirements.

(b) A partnership, corporation, limited liability company, and not-for-profit organization applying for a license must satisfy all licensure requirements.

1. A general partnership, limited partnership, corporation, limited liability company, or not-for-profit organization applying for a license must designate as its qualifying representative an individual who is either a general partner (in the case of any partnership) or an officer (in the case of a corporation) or a member (in the case of a member-managed limited liability company) or a manager (in the case of a manager-managed limited liability company) and who either holds a license individually or meets the experience and ability requirements for licensure. The entity seeking the license may rely upon the designated qualifying representative's experience, ability, and successful completion of any examination (testing experience and ability, conducted either by the Board or a third party under contract with the Board), but must present evidence to the Board that it satisfies all other licensing requirements. The name of the partnership, corporation, or limited liability company, along with that of its designated qualifying representative, shall appear on the face of that entity's license.

2. If the designated qualifying representative of a partnership, corporation, or limited liability company ceases to be a partner or officer or member (in the case of a member-managed limited liability company) or manager (in the case of a manager-managed limited liability company) of that entity, the designated qualifying representative and the partnership, corporation, or limited liability company immediately shall so notify the Board. Unless another partner, officer, or member (in the case of a member-managed limited liability company) or manager (in the case of a manager-managed limited liability company) as the case may be, who either individually maintains a current and valid license or meets the experience and ability requirements for licensure is designated as that entity's new qualifying representative within 45 days after the previous designated qualifying representative ceases to hold that position, the license for that partnership, corporation, or limited liability company automatically shall be revoked.

(c) The extent to which a residential home builder, including residential roofers, may engage in the residential home building business depends upon the form of license held:

1. A residential home builder, including residential roofers, who is not licensed individually may engage in the residential home building business only through a licensed partnership, corporation, or limited liability company, of which the builder is an employee, partner, officer, or member.

2. A residential home builder, including residential roofers, who is the designated qualifying representative of an entity may engage in the residential home building business only through that entity; if such builder wishes to engage in the residential home building business either individually or through another entity that is not otherwise licensed, that builder must obtain a license, either individually or on behalf of the other entity, of which the builder may be the designated qualifying representative. A residential home builder who is the qualifying representative of an entity shall be deemed to have satisfied the experience and ability requirements for licensure, but must satisfy all other licensing requirements, including without limitation, the financial responsibility requirements, before qualifying for a license either individually or on behalf of another entity.

HOME BUILDERS LICENSURE BOARD

3. A residential home builder, including residential roofers, licensed individually may engage in the residential home building business either individually or through a licensed entity of which the individual licensee is an employee, partner, officer, or member.

EXAMPLES:

(i) ABC Builders, Inc. has three officers, each of whom meets the experience and ability requirements for licensure. Adams is the qualifying representative of the corporation. Brown individually meets all the licensing requirements, including without limitation the financial responsibility requirement, and obtains an individual license. Carter is not licensed, either individually or as the qualifying representative of the corporation. Adams and Carter may engage in the residential home building only through ABC Builders, Inc., but Brown may do so either individually or through ABC Builders, Inc.

(ii) Five years after ABC Builders, Inc. was issued a license, Adams decides to engage in the residential home building business through a newly formed partnership, Adams Builders, of which he is a partner. Adams Builders applies for a license, naming Adams as its qualifying representative. Because he is the qualifying representative of ABC Builders, Inc., Adams is deemed to have satisfied the experience and ability requirements for licensure, but Adams Builders will have to satisfy all other requirements for licensure, including without limitation the financial responsibility requirement.

(iii) Five years after ABC Builders, Inc., was issued a license, Carter decides to engage individually in the residential home building business. Because Carter is neither the qualifying representative of ABC Builders, Inc. nor licensed individually, Carter will have to satisfy all of the requirements for licensure, including the experience and ability requirements, which means successful completion of any examination testing experience and ability, conducted either by the Board or a third party under contract with the Board.

(2) Type of License.

(a) Licenses may be issued without limitation, with limitation, or with limitation specifying a single trade.

(b) The extent to which a residential home builder, including residential roofer, may engage in the residential homebuilding business depends upon the type of license held:

1. A residential home builder who holds a current and valid residential home builders license **without limitation** may engage in the business of residential home building, as referred to in Ala. Code § 34-14A-2(11) (1975), regardless of the scope of the construction.

2. A residential home builder who holds a current and valid residential home builders license **with limitation** may only engage in the business of residential home building, as referred to in Ala. Code § 34-14A-2(11) (1975), when the scope of the construction is limited to the repair, improvement, or reimprovement, as such term is defined herein, of a residence or structure, and the residential homebuilder does not meet the definition of residential roofer as defined Ala. Code § 34-14A-2(12), and the scope of the work does not meet the definition of residential roofing as defined in Ala. Admin. Code r. 465-X-1-.01(10).

3. A residential roofer, as defined in Ala. Code § 34-14A-2(12), who holds a current and valid residential roofers license may only engage in residential roofing when the scope of the roofing is limited to the installation or repair of the external covering of a residence or structure.

HOME BUILDERS LICENSURE BOARD

EXAMPLES:

(i) Builder holds a current and valid residential home builder's license **without limitation**. Builder may contract directly with Homeowner to perform any residential construction activity including new residential construction, and repair, improvement or reimprovement to an existing residence.

(ii) Builder holds a current and valid residential home builder's license **without limitation**. Builder contracts directly with Homeowner to construct a new residence. The cost of the undertaking is \$250,000. Builder hires Framers to frame the new construction and pays him \$30,000. Framers is **not required to hold a license** issued by the Board because he did not contract directly with the homeowner to perform the construction activity, but instead is working directly for a residential home builder who holds a license without limitation and who contracted directly with the homeowner.

(iii) Framers enters into a contract directly with Homeowner to frame an addition to an existing residence. The cost of the undertaking is \$30,000. Though only one trade is being performed (framing), Framers must hold a current and valid residential home builder's license **without limitation** because the cost of the undertaking exceeds \$10,000 and the construction activity affects the structural integrity of the residence.

(iv) Foundation contractor enters into a contract directly with Homeowner to construct a foundation for a residence. The cost of the undertaking is \$15,000. Though only one trade is being performed (foundation construction), Foundation contractor must hold a current and valid residential home builder's license **without limitation** because the cost of the undertaking exceeds \$10,000 and the construction activity affects the structural integrity of the residence.

(v) Best Siding, LLC, enters into a contract directly with Homeowner to install vinyl siding on Homeowner's residence. The cost of the undertaking is \$20,000. Best Siding, LLC, must hold a residential home builder's license because the cost of the undertaking exceeds \$10,000; however, because the construction activity involves only one trade (siding installation) and it does not affect the structural integrity of the existing residence, Best Siding, LLC, may hold a residential home builders license **with limitation**.

(vi) Roofer enters into a contract directly with a Homeowner to repair storm damage to at least one roof truss, which will require a framer, and to re-roof a residence. The cost of the undertaking is \$11,000. Roofer is required to hold **a residential home builder's license without limitation** because more than one trade is involved, and the work affects the structural integrity of the residence.

(vii) Roofer enters into a contract directly with Homeowner to install a new roof, including replacing only existing damaged decking and damaged fascia. The cost of the undertaking is \$8,000. Roofer must hold a residential home builders license limited to roofing (roofers license) because the cost of the undertaking exceeds \$2,500; Because the construction activity involves only one trade (roof installation, including replacing damaged decking and fascia) and it does not affect the structural integrity of the residence, Roofer may hold a residential home builders license **with limitation**, limited to roofing.

(viii) Builder enters into a contract directly with Homeowner to make repairs to a residence, including painting and replacement of sheetrock. The cost of the undertaking is \$8,500. Though the construction activity involves more than one trade (painting, and sheetrock replacement), Builder is **not required to hold a license** issued by the Board because the cost of the undertaking does not exceed \$10,000. If the cost of the undertaking had exceeded \$10,000, Builder would be required to hold a residential home builder's license **without limitation** because more than one trade is involved.

HOME BUILDERS LICENSURE BOARD

(3) **Requirements for License Without Limitation.** In order to receive a license **without limitation (unlimited license)**, a residential home builder must successfully complete the following actions:

- (a) File an accurate, complete, timely, and notarized application for license with the Board;
- (b) Pay the application fee, the Homeowners' Recovery Fund fee and any other fee required by these rules;
- (c) Demonstrate proof of financial responsibility by submitting to the Board, at the applicant's expense:

1. A credit report with business-related credit and financial information in a form satisfactory to the Board (provided directly from a credit reporting agency).

(i) The credit report shall include the business-related credit accounts information of the individual or entity to be licensed and a public records search of the individual or entity to be licensed.

(ii) In addition, a partnership's credit report shall include a public records search on the partnership and also on each partner. A partnership over a year old has the option of submitting the business-related credit accounts information on the partnership or on each partner individually.

(iii) In addition, a partnership, corporation, limited liability company, or other legal entity less than one year old may be required to provide business-related credit accounts information on the partners, corporate officers, or members individually where the partnership, corporation, or limited liability company does not have a credit history sufficient to reasonably satisfy the Board of the applicant's financial responsibility.

(iv) An applicant whose application is pending for more than 90 days (owing to a defect in the application for which the applicant is responsible) may be required to file an updated credit report (provided directly from a credit reporting agency).

2. An applicant must not have any outstanding business-related collection account(s), or foreclosure account(s), except that

(i) An applicant may have a business-related collection account(s), or foreclosure account(s) if the amount(s) of the business-related collection account(s), or foreclosure account(s) does not exceed \$500 in the aggregate. (Example: (A) one \$500 business-related collection account, or foreclosure account and no other business-related collection account, or foreclosure account, or (B) one \$250 business-related collection account, one \$150 business-related collection account, and one \$100 foreclosure account.)

(ii) An applicant with a business-related collection account(s), or foreclosure account(s), which exceeds \$500 in the aggregate must provide documentation to show that the collection account(s), or foreclosure account(s) has been paid, or must show to the Board's reasonable satisfaction that arrangements have been made to pay the account(s), including but not limited to evidence of a payment plan and history of payment, or provide the Board with a written explanation of the circumstances surrounding the business-related collection account(s), or foreclosure account(s) sufficient to reasonably satisfy the Board of the applicant's financial responsibility.

3. An applicant must not have any outstanding judgments, judgment liens, or any perfected liens, except that

HOME BUILDERS LICENSURE BOARD

(i) An applicant may have an outstanding judgment(s), judgment lien(s), or any perfected lien(s) under dispute in court, with the taxing authority, or on appeal, if the amount(s) of judgment(s), judgment lien(s), or any perfected lien(s) (under dispute in court, with the taxing authority, or on appeal) does not exceed the amount of \$1,000 in the aggregate. (Example: (A) one \$1,000 outstanding judgment, judgment lien, or any perfected lien under dispute in court, with the taxing authority, or on appeal and no other outstanding judgment(s), judgment lien(s), or any perfected lien(s) under dispute in court, with the taxing authority, or on appeal or (B) one \$650 outstanding judgment, judgment lien, or any perfected lien under dispute in court, with the taxing authority, or on appeal and one \$350 outstanding judgment, judgment lien, or any perfected lien under dispute in court, with the taxing authority, or on appeal.)

(Example: (A) one \$500 outstanding judgment, judgment lien, or any perfected lien and no other outstanding judgment(s), judgment lien(s), or any perfected lien(s) or (B) one \$350 outstanding judgment, judgment lien or any perfected lien and one \$150 outstanding judgment, judgment lien, or any perfected lien.)

(iii) Business-related judgments, judgment liens, and any perfected liens include any judgment, judgment lien or any perfected lien that may attach to real estate that an applicant takes in his/her/its name and sells, deeds, or otherwise transfers to a consumer and adversely affects the consumer's title. A certified copy of the satisfaction and release from the appropriate court(s) is sufficient evidence of satisfaction and release.

4. Disclosure of Social Security Number. All licensure applications, including new and renewal licensure applications, have a space for the disclosure of an individual's social security number.

(i) The disclosure of an individual's social security number under the Alabama Child Support Act of 1997, Act 97-447, § 30-3-194 (1997 Cum. Supp.) is **MANDATORY**. The Board requires the disclosure of the social security number to be used for the purposes under said act described therein.

(ii) The disclosure of an individual's social security number for the purpose of obtaining business-related financial and credit information and public records search is **VOLUNTARY**. The Board requests the disclosure of the social security number, pursuant to Code of Ala. 1975, § 34-14A-7(a)(4), to obtain business-related financial and credit information and a public records search in order to examine an applicant's business-related financial condition. The Board may provide, or the individual may provide, the social security numbers to the credit reporting agency for the purpose of obtaining this information. An individual who does not wish to disclose his or her social security number may provide the business-related financial and credit information and public records search in an alternate format. The alternate format shall be: provide five (5) notarized business-related credit letters from financial institutions, building suppliers, or other creditors outlining specific payment history, and a certified public records search.

5. An applicant must provide a written explanation of any pending lawsuits sufficient to reasonably satisfy the Board of the applicant's financial responsibility.

(d) Satisfy the Board that the applicant possesses such experience and ability as to be entitled to a license as a residential home builder by successfully completing the examination (testing experience and ability, conducted either by the Board or a third party under contract with the Board) required by the Board;

(e) Satisfy the Board that the applicant possesses such good character and willingness to serve the public and conserve the public health and safety as to be entitled to a license as a residential home

(f) File any additional pertinent information required by the Board on a case-by-case basis to determine whether the applicant is qualified to receive a license.

(g) If the applicant is a corporation, satisfy the Board that the applicant is in good standing with the Alabama Department of Revenue and is either duly organized in the State of Alabama or qualified as a foreign corporation to do business in Alabama.

(h) If the applicant is a limited partnership or limited liability company, satisfy the Board that the applicant is either duly organized in the State of Alabama or qualified as a foreign limited partnership or limited liability company to do business in Alabama.

(4) **Requirements for License With Limitation.** In order to receive a license **with limitation (limited license)**, a residential home builder must successfully complete the requirements for licensure as required under Rule § 465-X-3-.04(3) with the exception of subsection (d), and must satisfy the experience and ability requirements as set forth herein.

(a) Any person acting as a residential home builder within the State of Alabama applying for a license **with limitation (limited license)** shall be deemed to have satisfied the experience and ability requirements for licensure if such person submits an application to the Board establishing:

1. That the applicant possesses sufficient building qualifications and experience to receive a license, as demonstrated by satisfactory evidence presented to the Board. Proof that an applicant currently holds or held on or before one (1) year prior to the date the application is received by the Board, a business or occupational license, issued by a governmental instrumentality of this state, as a contractor, roofer, or other related construction trade, shall provide sufficient evidence of the applicant's building qualifications and experience. The Board may also require.

3. That the applicant is recommended for licensure by a building official in Alabama or any other state.

HOME BUILDERS LICENSURE BOARD

(b) Any person acting as a residential home builder within the State of Alabama applying for a license **with limitation, limited to roofing (roofers license)** shall be deemed to have satisfied the experience and ability requirements for licensure if such person submits an application to the Board establishing:

1. That the applicant possesses sufficient roofing qualifications and experience to receive a license, as demonstrated by satisfactory evidence presented to the Board. Proof that an applicant currently holds or held on or before one (1) year prior to the date the application is received by the Board, a business or occupational license, issued by a governmental instrumentality of this state, as a contractor, roofer, or other construction trade, shall provide sufficient evidence of the applicant's building qualifications and experience, **or**

(6) **Grandfathering Provisions.** When applicants who were initially grandfathered from examination (testing experience and ability, conducted either by the Board or a third party under contract with the Board) on or before June 16, 1994, and who met the requirements under previous Code of Ala. 1975, § 34-14A-5, and who apply for a new license in a different legal capacity less than three (3) years from the date of expiration of the former license, the Board shall rely on the building qualifications met under § 34-14A-5 as sufficient evidence of applicant's experience and ability requirements for licensure; provided there are no pending disciplinary problems with the applicant.

(7) **Out of State License Holders.** Any applicant holding a valid license as a residential home builder issued by a jurisdiction outside the state of Alabama shall be deemed to have satisfied the experience and ability requirements for licensure only upon a determination by the Board that:

(b) the other jurisdiction exempts Alabama licensees from any examination (testing experience and ability) requirements imposed on residential home builders in that jurisdiction.

(8) **Military Family Jobs Opportunity Act Applicants.** Any applicant meeting the eligibility requirements of Ala. Maintaining ICC certification as a certified building official, building inspector, residential building inspector, property maintenance and housing inspector, or building plans examiner, or maintaining a license/certification as a design professional, shall be considered to be sufficient proof of building qualifications, experience and ability to receive an inactive license.

(c) No act for which a license is required may be performed under an inactive license. In the event a person holding a current inactive license applies for a license, he or she may rely upon his or her inactive license as evidence of the experience and ability requirements for licensure under subdivisions (1) and (2) of subsection (a) of Code of Ala. 1975, § 34-14A-7 and subparagraph (d) of paragraph (2) of this regulation.

(10) **Emergency Roofing Licenses.**

The application shall be accompanied by the application fee, the Homeowners' Recovery Fund fee, and any other fees required by these rules. After the Board accepts the application, the applicant may be reviewed by the Board at the next scheduled Board meeting. An applicant holding an expired license who files such an application within three years from the date of expiration of the license shall be deemed to have satisfied the experience and ability requirements for licensure provided there are no pending disciplinary problems

with the applicant and all other licensing requirements have been met.

(b) For an individual applicant to be considered an applicant holding an expired license, the applicant must hold an expired license in his individual capacity. For a partnership, corporation, or limited liability company applicant to be considered an applicant holding an expired license, the applicant must hold an expired partnership, corporation, or limited liability license with the same designated qualifying representative as the applicant applying for reactivation.

(12) **Applicants Holding a Denied License Less Than Three Years Old.** Any applicant whose license has been denied and who desires to receive a new license shall make and file with the Board 30 days prior to the next meeting of the Board an accurate, complete, notarized written application on a form prescribed by the Board with the Executive Director and satisfy the criteria set forth in reg. 465-X-3-.04(3)(b), (c), (e), (f), (g) and (h) as applicable, or reg. 465-X-3-.04(4) as applicable. The application shall be accompanied by the application fee, the recovery fund fee, and any other fees required by these rules. After the Board accepts the application, the applicant may be reviewed by the Board at the next scheduled Board meeting. An applicant whose license has been denied and who files such an application and is issued a new license within three years from the year of denial of the previous license shall be deemed to have satisfied the experience and ability requirements for licensure.

465-X-5-.02 **Initiation of Proceedings.**

(1) The Board may initiate such action as it deems appropriate to investigate and determine compliance by residential home builders and licensees with the provisions of the Act and the rules of the Board.

(2) Unless the Board initiates proceedings on its own motion, it shall take action only upon receipt of a written, sworn consumer complaint filed by an original homeowner, stating in detail the activities complained of and that the party is alleged to have engaged in, and presenting the evidence of when, where and how a violation occurred.

(3) An original homeowner submitting a consumer complaint may be required to support it by personal appearance before the Board. 465-X-5-.03 Complaint Procedure.

(1) In the event a consumer complaint is filed against a licensee, residential home builder, residential roofer, or any other person within the Board's jurisdiction, or the Board determines from other information that an investigation is necessary, the procedure for investigation or complaint shall be as follows:

(a) Upon undertaking an investigation of a licensee, the Board shall notify the licensee of the investigation and the specific charges being investigated.

(b) If the residential home builder is engaging in the business of residential home building or residential roofing, the Board shall provide written notice, in the form of a stop work order, as prescribed at Ala. Code § 34-14A-14 (1975). If the residential home builder or residential roofer has engaged in the business of residential home building or residential roofing, the Board may notify the residential home builder or residential roofer of the requirements for licensure and the administrative, civil and criminal liability for a violation of the Act.

(c) Each year the Board shall designate a member and two alternate members to serve on an investigative committee. The Board members designated to serve on the investigative committee must be builder members of the Board. This investigative committee shall consist of the designated Board member, or a designated alternate member, the Executive Director, and the Board's attorney and shall investigate the information or complaint to determine whether there is probable cause for disciplinary and/or enforcement proceedings, and shall, on behalf of the Board, direct the Board's counsel to initiate proceedings consistent with its finding(s). The Board member or the alternate member who participates on the investigative committee shall not participate in any disciplinary proceedings arising from the investigation.

(d) The investigative committee may enter into informal settlements with the licensee or residential home builder or residential roofer it is investigating, provided each informal settlement is ratified by the Board.

(e) At the end of the investigation, the investigative committee shall make a recommendation to the Board as to whether probable cause exists that a violation of the Act has occurred, and for the Board to initiate disciplinary proceedings and/or to forward any necessary information to the appropriate governmental authorities. If the investigative committee determines following its investigation that no probable cause exists, the proceedings will terminate.

(2) In the case of complaints against licensees holding a license without limitation and with limitation:

HOME BUILDERS LICENSURE BOARD

(a) In the event the investigative committee recommends that probable cause exists that a violation of the Act has occurred, the investigative committee shall instruct Board counsel to prepare a summons and complaint or notice and opportunity for hearing, or to forward information to the appropriate governmental authorities. The Board shall schedule a hearing to be held within three months from the filing of an administrative summons and complaint or notice and opportunity for hearing by the Board's Executive Director.

(b) The summons and complaint or notice and opportunity for hearing shall be mailed certified mail, return receipt requested, to the most recent address of the licensee on file with the Board at least 15 days prior to the scheduled date of the hearing. In the event the summons and complaint or notice and opportunity for hearing is refused or the return receipt has not been received by the Board or its attorney at least ten days before the scheduled hearing, the licensee may be served by mailing a copy of same first-class mail at least seven days before the hearing date.

(c) The summons and complaint or notice and opportunity for hearing shall give notice in substantial compliance with the Alabama Administrative Procedure Act, Section 12(b).

(d) In the event the investigative committee instructs Board counsel to forward information to the appropriate governmental authorities, information concerning the essential facts constituting a violation and an allegation that a violation of the Act has been committed should be provided to a magistrate or official authorized by law to issue warrants of arrest.

(e) If the person complained of is a member of the Board, that member shall be notified and thereafter shall not participate in any matter related to the complaint.

(3) In the case of complaints against licensees holding a license with limitation, limited to roofing:

(a) In the event the investigative committee recommends that probable cause exists that a violation of the Act has occurred, the investigative committee shall instruct Board counsel to notify the licensee of the probable cause finding and reasons therefor, and that the Board has initiated the calling of the licensee's bond.

(b) Upon the Board's calling of the licensee's bond, the Board shall issue a complaint against the licensee, allowing the licensee 90 days in which to make the bond whole. If the bond is not made whole at the end of 90 days, the complaint procedure set forth in reg. 465-X-5-.03(2) will proceed as follows:

1. The Board shall schedule a hearing to be held within three months from the filing of the complaint initiated by the Board.

2. The complaint initiated by the Board shall give notice in substantial compliance with the Alabama Administrative Procedure Act, Section 12(b).

3. In the event the investigative committee instructs the Board counsel to forward information to the appropriate governmental authorities, information concerning the essential facts constituting a violation and an allegation that a violation of the Act has been committed should be provided to a magistrate or official authorized by law to issue warrants of arrest.

(c) If the person complained of is a member of the Board, that member shall be notified and thereafter shall not participate in any matter related to the complaint.

465-X-7-.01 Homeowners' Recovery Fund. An aggrieved homeowner who contracts directly with a licensee of the Board holding a license without limitation or with limitation, excluding a license with limitation limited to roofing, may recover, from the Homeowners' Recovery Fund, actual economic damages sustained within the State of Alabama as the direct result of the licensee's gross negligence, incompetence and/or misconduct in the practice of residential home building or a violation by the licensee of the rules and regulations of the Board, provided that the aggrieved homeowner has obtained a valid judgment, excluding a consent judgment, and has exercised reasonable efforts to obtain a satisfaction of the judgment from the licensee prior to making a claim against the Homeowners' Recovery Fund. Actual economic damages are the reasonable cost of repairing the damages, other than minor cosmetic damages, sustained by a homeowner as the direct result of a licensed home builder's gross negligence, incompetence and/or misconduct in the practice of residential home building or a violation by a licensed residential home builder of the rules and regulations of the Board. Actual economic damages shall be supported by an itemized list of the actual economic damages incurred by the homeowner, a description of the repairs reasonable and necessary to correct the damages, and an estimate, by a licensee of the Board holding the type license required to perform the scope of the work included in the estimate, of the reasonable cost of making the repairs. Actual economic damages shall not include interest, damages awarded for pain and suffering or mental anguish, damages awarded for loss of consortium, damages which are the result of acts of the homeowner, court costs or attorney fees.

History: Original rule filed: May 5, 1999; effective June 9, 1999. **Amended:** Filed May 6, 2002; effective June 10, 2002. **Amended:** Filed August 25, 2011; effective September 29, 2011. **Amended:** Filed August 27, 2018; effective October 12, 2018.

465-X-7-.02 Procedure for Making a Claim Against the Homeowners' Recovery Fund.

(1) The following procedure shall be followed by a homeowner when making a claim against the Homeowners' Recovery Fund for actual economic damages sustained within the State of Alabama as the direct result of a licensed residential home builder's gross negligence, incompetence and/or misconduct in the practice of residential home building or a violation by a licensed residential home builder of the rules and regulations of the Board:

(a) The homeowner shall notify the Board in writing, by certified mail, at the time a civil action is commenced (not later than 10 days from the date on which the complaint is filed with the court); which may result in liability for the Homeowners' Recovery Fund. The homeowner shall include with the notice a copy of the civil complaint which has been filed in the appropriate court.

(b) The homeowner shall submit to the Board a sworn written complaint, on a form prescribed

HOME BUILDERS LICENSURE BOARD

by the Board, stating in detail the activities complained of and the activities the licensee is alleged to have engaged in.

(c) When the Board receives proper notice that a civil action has been commenced which may result in liability for the Homeowners' Recovery Fund, the Board may, at any time during the course of the proceedings, enter an appearance, file pleadings and appear at court hearings, defend or take action it deems appropriate either on the behalf and in the name of the defendant or in its own name. The Board may seek any appropriate method of judicial review. The Board may settle or compromise the claim.

(d) Upon receipt of the homeowner's sworn written complaint, on a form prescribed by the Board, stating in detail the activities complained of and that the licensee is alleged to have engaged in, the Board will investigate the matter as prescribed at 465-X-5-.03.

(e) In order for the Homeowners' Recovery Fund to be liable to a homeowner, the homeowner shall first obtain a valid judgment, excluding a consent judgment, from a court of competent jurisdiction against the licensed home builder and said judgment shall be based on the licensed home builder's gross negligence, incompetence, and/or misconduct in the practice of residential home building or a violation of the rules and regulations of the Board. The licensed home builder must have been licensed at the time the acts constituting gross negligence, incompetence, or misconduct in the practice of residential home building were committed or the violation of the rules and regulations of the Board occurred and at the time the parties entered into the construction contract.

(f) After a homeowner obtains a valid judgment, excluding a consent judgment, in a court of competent jurisdiction against a licensed home builder on the grounds of gross negligence, incompetence and/or misconduct in the practice of residential home building or a violation of the rules and regulations of the Board, the homeowner shall, when the judgment is final, make reasonable efforts to collect the judgment from the licensed home builder. Thereafter, if the homeowner desires to seek recovery from the Homeowners' Recovery Fund, the homeowner shall:

1. File a verified claim for actual economic damages in the court in which the judgment was entered; and,

2. Give the Board 30 days written notice that the homeowner intends to apply to the court for an order directing payment out of the Homeowners' Recovery Fund of the amount remaining unpaid on the judgment. Said notice shall include:

(i) The date the judgment was entered by the court, the amount of the judgment, and the amount of the judgment attributable to actual economic damages; and,

(ii) An itemized list of the actual economic damages incurred which forms the basis of the aggrieved homeowner's claim against the Homeowners' Recovery Fund. This list shall include the actual economic damages incurred by the homeowner, a description of the repairs reasonable and necessary to correct the damages, and an estimate, submitted by a licensee of the Board holding the type license required to perform the scope of the work included in the estimate, of the reasonable cost of repairing the damages incurred. The homeowner shall also submit copies of the contract(s) entered into by the parties and any building specifications and/or construction drawings used in building the residence; and,

(iii) The amount owing on the judgment. In showing the amount owing on the judgment, the homeowner shall show evidence of reasonable efforts made by the homeowner to collect the judgment from the licensed home builder/judgment debtor. The homeowner shall provide documentation showing: steps taken by the homeowner to locate the licensed home builder/judgment debtor; steps taken by the homeowner to discover if the licensed home builder/judgment debtor has assets from which to collect the judgment, including but not limited to bank accounts, real and/or business property and equipment; steps

taken by the homeowner to determine whether the licensed home builder is insured and if insured, that the homeowner has filed a claim with the licensed home builder's/judgment debtor's insurance carrier; steps taken by the homeowner to file a lien against the licensed home builder/judgment debtor; and, steps taken by the homeowner to file a garnishment against the licensed home builder/judgment debtor.

(g) After expiration of the 30-day notice requirement, the homeowner shall make application to the court for an order directing payment out of the Homeowners' Recovery Fund. When the homeowner's application to the court for an order directing payment out of the Homeowners' Recovery Fund is set for hearing, the homeowner shall be required to show:

1. That he or she is not the spouse, child, or parent of the debtor, or the personal representative of the spouse, child, or parent or a shareholder officer or director of the debtor; and,

2. That he or she has obtained a judgment, other than a consent judgment, based on the gross negligence, incompetence and/or misconduct of a licensed home builder in the practice of residential home building or a violation by a licensed home builder of the rules and regulations of the Board; and,

3. That the licensed home builder was licensed at the time the parties entered into the construction contract, and at the time of the occurrence of the acts which form the basis of the complaint and which resulted in a judgment for the homeowner based on the licensed home builder's gross negligence, incompetence, and/or misconduct in the practice of residential home building or a violation by a licensed home builder of the rules and regulations of the Board and,

4. The amount of the judgment awarded by the court and the amount of the judgment attributable to actual economic damages, i.e., the reasonable cost of repairing the damages, other than minor cosmetic damages, sustained by the homeowner as the direct result of the licensed home builder's gross negligence, incompetence and/or misconduct in the practice of residential home building or a violation of the rules and regulations of the Board. Actual economic damages shall not include interest, damages awarded for pain and suffering or mental anguish, damages awarded for loss of consortium, damages which are the result of acts of the homeowner, court costs or attorney fees. The evidence required to show actual economic damages shall include, but not be limited to, an itemized list of the damages incurred, a description of the repairs reasonable and necessary to correct the damages and an estimate, submitted by a licensee of the Board holding the type license required to perform the scope of the work included in the estimate, of the reasonable cost of repairing said damages; and,

5. That the homeowner has joined any and all bonding companies which issued corporate surety bonds to the judgment debtor as principal and all other necessary parties; and,

6. That the following items, if recovered by the homeowner, have been applied to the actual economic damages:

(i) Any amount recovered from the judgment debtor.

(ii) Any amount recovered from bonding companies.

(iii) Any amount recovered in out-of-court settlements.

(2) The maximum amount of payment from the Homeowners' Recovery Fund is as follows:

(a) Payments for claims based on judgments or settlements against any one licensee shall not exceed \$60,000 in the aggregate.

(b) Payments for claims arising out of the same transaction shall not exceed \$20,000 in the

HOME BUILDERS LICENSURE BOARD

aggregate.

(3) The Board may review and challenge the actual economic damages submitted by the homeowner and the Board may submit evidence to dispute said damages. The Board may also challenge, as inadequate, the steps taken by the homeowner to collect the judgment.

(4) Failure of the homeowner to follow the provisions set forth in this chapter of these Rules for making a claim against the Homeowners' Recovery Fund shall preclude payment from the Fund.
