

LICENSE REQUIREMENTS FOR LIMITED LICENSE

A residential home builder who contracts directly with a home owner to perform construction that requires only a single trade and that does not affect the structural integrity of the residence, when the total cost of the undertaking exceeds \$10,000, is required to hold a residential home builders license; however, rather than holding a residential home builders license without limitation, he or she may hold a residential home builders license with limitation (a limited license).

LICENSE FORMS

The extent to which a residential home builder may engage in the residential home building business depends upon the form of license held. Licenses will be issued only to individuals, partnerships, corporations, limited liability companies, and non-profit organizations.

DESIGNATED QUALIFYING REPRESENTATIVE

1. **Individuals** applying for a license personally must satisfy all of the licensure requirements including experience and ability.
2. **Partnerships, corporations, limited liability companies, and non-profit organizations** must designate a qualifying representative who must satisfy the experience and ability requirements for licensure. The Designated Qualifying Representative (DQR) must be a general **partner** if the applicant is a partnership, an **officer** if the applicant is a corporation, a **member** if the applicant is a member-managed limited liability company, or a **manager** if the applicant is a manager-managed limited liability company.

INSTRUCTIONS

1. APPLICATION

All applicants must file an accurate, complete, and notarized application for license with the Board. **No copies will be accepted.**

2. BUSINESS-RELATED FINANCIAL REQUIREMENTS

All applicants must order a business-related credit report, including a public records search, to be submitted directly to the Board by a credit reporting agency. An applicant whose application is pending for more than 90 days may be required to file an updated credit report. An order form is enclosed for your convenience.

3. FEES

The annual license fee is \$250.00. A non-refundable \$100.00 new license application processing fee must also accompany applications for a new limited license. Please make checks in the amount of \$350.00 payable to the Home Builders Licensure Board. The Board accepts personal or company checks, cashier's checks, certified checks, or money orders for all new applications. The Board does not accept cash. **All fees must be paid before the application is processed.** Upon written request, the annual license fee will be refunded in the event an application is rejected or denied.

4. EXPERIENCE AND ABILITY

All applicants will be required to satisfy the experience and ability requirement prior to licensure, as set out in Section 3 on the application for a new limited license for individuals and in Section 4 on the application for a new limited license for corporations. INDIVIDUAL LICENSEES: You may engage in residential homebuilding only in your individual capacity or through a licensed entity of which you are an employee, partner, officer, or member. If you are conducting business through a corporation, partnership, or limited liability company that does not hold an Alabama Home Builders License, you are in violation of the law.

If you are conducting business through an unlicensed entity, you are violating the Home Builders Licensure Law.

There are penalties and injunctions applicable to unlicensed builders. Pursuant to *Ala. Code* § 34-14A-14(2002), any person who undertakes or attempts to undertake the business of residential homebuilding without a valid license, which has neither expired nor been revoked, is guilty of a Class A misdemeanor. The Board may stop the construction work of any person or entity that undertakes or attempts to undertake the business of residential homebuilding without a valid license.
